Your pet is looking good in one photograph but its best friend looks better in another?

No problem, I can merge several photos for a small set up fee. See price list for details.

I will contact you to confirm the order and discuss the portrait and the time frame estimated for completion of the art piece.

A 50% down payment is required before work can start. The balance is due prior to delivery of the completed painting.

PayPal (including credit card payments through PayPal), money orders, cashiers checks and personal checks are accepted.
